

Reopening Changes at GLDE

Following the recommendations of the Center of Disease Control and American Dental Association, we have made changes to our procedures and appointments to ensure the safety of our patients and team.

Limited Number of Appointments

This may mean we need to reschedule and have fewer appointment times available

Pre-Screening Questions

You will be asked pre-screening questions at your confirmation call and when you arrive.

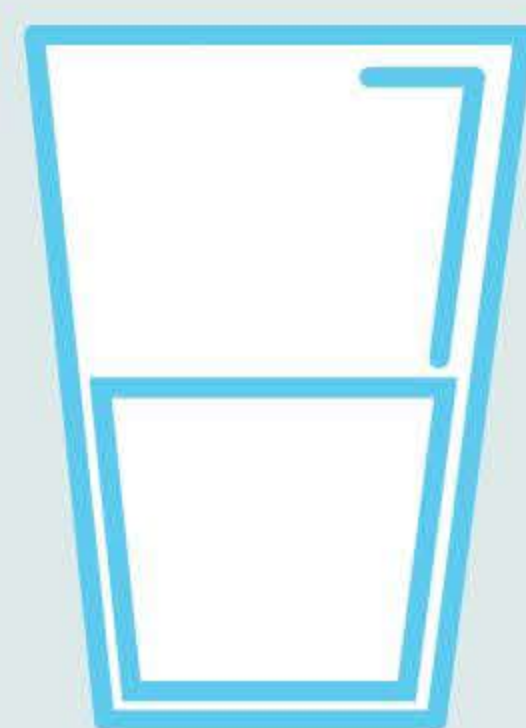

Temperature Checks

Staff and patients will have their temperature taken upon entry.

Pre-Mouth Rinses

Please brush before you arrive. You will be given a pre-mouth rinse before start of your appointment.

Curbside Waiting Room

The waiting room will be closed. Please remain in your car and call us at 231-799-0404 when you arrive to check in.

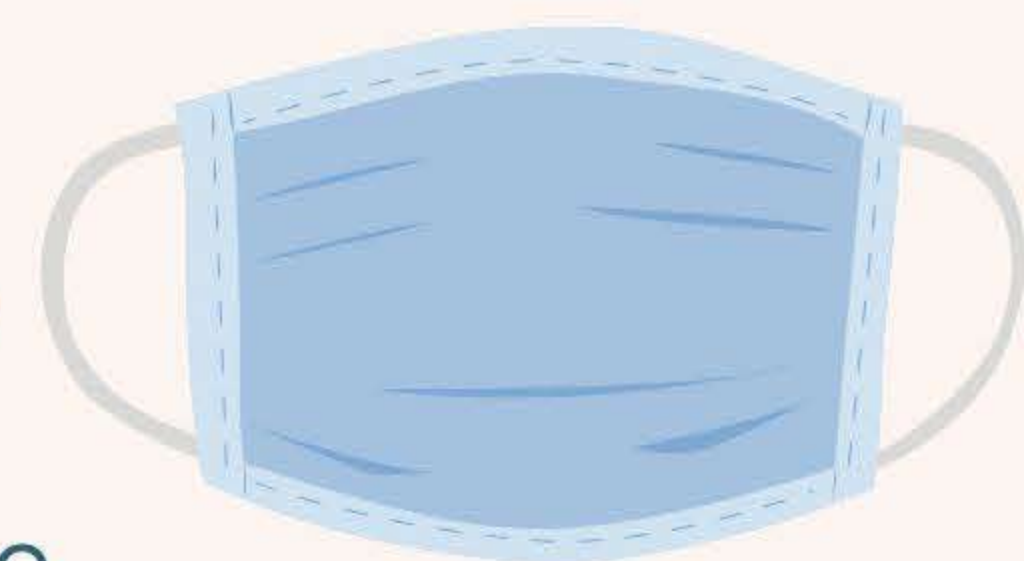

Text to Pay

To limit contact time, we will be offering a text to pay option.

Wear a mask.

You will be required to wear a face covering when you are not in the dental chair.

If you are unable to make your appointment, please call us 48 hrs in advance.

Looking forward to seeing your smiles.

Extra Protective Wear & Heighten Infection Control

You may see us with extra protective wear on, but we promise that we are still under there! Our team will also be disinfecting high touch surfaces.
